Committed Capital and Operational Expertise for Middle Market Businesses

Flexibility: One size does not fit all. We recognize that every business is different and we will work diligently with owners and senior managers to customize a transaction to meet the needs of a growing business.

Experience: With over 80 years of combined experience addressing the challenges unique to middle market companies as C-level managers, trusted advisors and patient investors, High Street Capital's team is able to provide creative solutions and intelligent, strategic counsel to its business partners.

Partnership: The demonstrated key to our success. We view our job as making our portfolio company management teams successful. In so doing, we will serve our investors well. We value incentives through equity participation for all key members of the management team so that the interests of all parties are aligned.
